Bass Chromatic Scale and Exercises

Read Your Bass Clef

Lines - Just Like Right Hand - just start down a Line

Spaces - Just Like RH - start down a space

Basses are written below the middle line AND Chords are written above the middle line. (Exception - when there is a bass solo) A line under bass notes - means to play the note in the Counterbass row

INTRO to Chromatic Scale

The Flat or half step down from any Bass note is the Counterbass of the bass above it

The Sharp or half step up from any Bass note is the Counterbass of the bass 3 above
