Intro to Accordion Bass Playing

ACCORDION BASS 101

1. Quarter not Basses played like 8th notes

Music Written Like This -------------- Played Like This!

(Bass Notes are written BELOW middle Bass Clef line and Chords are written ABOVE Middle line)

1a. If Right Hand is Legato - Allow RH note to sound past Bass Note

2. Bass Solo - Full Quarter Note Value

Short Line under Bass - Means the bass is located on the Counterbass row

3a. Bass style could have long first bass - but do NOT SLUR IT to chord

5. ALWAYS alternate FIRST on 7th Chords

6. Create a bass line style that emulates the original song
