An old cow-poke went brands were still on faces gaunt, their the riders loped Am
rid-in' out one fire and their eyes were blurred, and on by him he dark and wind-y day.
hooves were made of shirts all soaked with steel. sweat, name.

Up - on a ridge he Their horns were black and went a - long his Their They're "If you rest-ed as he hot breath he could rid - in' hard to want to save your A-m shin - y and their catch that herd, but they ain't caught 'em soul from hell a rid - n' on our

way; feel. yet. range. when all at once a 'Cause Then, cow - boy change your might - y herd of A bolt of fear went for - ev - er on FM they've got to ride ways to - day or

red - eyed cows he saw. A thun - dered thru the sky. For that range up in / the sky. On with us you will A m6 ride. A m7

(When you see basses labeled with more than one chord symbol - play the FIRST one)
I have deliberately left the TRUE chord notated - so you can add that CHORD in the RIGHt HAND!
